

WELCOME

We're thrilled to have you in Angel Fire! Whether you're here to ski, hike, bike, or just take in the stunning mountain views, we want your visit to be unforgettable. To help keep our Village safe, clean, and enjoyable for everyone, please follow these simple guidelines.

BE A GOOD NEIGHBOR

A little kindness goes a long way! Please be courteous, respect your neighbors and their property, and keep noise levels down—especially after 9:00 PM.

STAY SAFE & KNOW YOUR LIMITS

GUEST CAPACITY To ensure safety and comfort, each rental has a maximum guest limit based on bathrooms:

- **5 guests per full bathroom** (sink, toilet, shower/bath)
- **2 guests per half-bath** (sink, toilet)

Example: A 2.5-bath home = 12 guests max (5+5+2).

PARKING: KEEP THE ROADS CLEAR

Our Village roads are not for parking—they must stay open for snowplows and emergency vehicles. **Use designated parking areas at your rental or official off-site parking.**

TRASH & RECYCLING

Visitors are responsible for all trash. Take your trash and cardboard to the Angel Fire Recycle Center, 27 Halo Pines Terrace. For large items, visit the Transfer Station at 55 Camino Grande.

RESPECT OUR WILDLIFE

Seeing wildlife is part of the magic of Angel Fire, but feeding them is dangerous and illegal. Keep a safe distance and never leave food or trash outside—this helps protect both you and our animals.

LIGHTS OUT, STARS ON

Please keep **outdoor lights directed downward**, and turn them **off when you leave**. Our dark skies make for some of the best stargazing in New Mexico!

TRANSPORTATION

Angel Fire has private shuttle services for local and regional travel.

FIRE SAFETY

Our forests are beautiful—but **FIRE DANGER IS REAL.**

- Open fires are prohibited, except in an approved fire pit or grill.
- Fireworks are **ALWAYS** illegal in Angel Fire.
- Check fire restrictions before starting **ANY** fire

EMERGENCY SERVICES

For medical care, visit the Angel Fire Medical Clinic at the base of the Resort.

In an emergency, **CALL 911** for Fire, Police, or Paramedic assistance.
